## About Us

Established in 1993, Indo Plast Industries has grown into one of India's most trusted and reputed manufacturers of premium plastic products. With a legacy spanning over three decades, we specialize in producing a wide range of high-quality items such as Plastic Bottles, Water Bottles, Hand Wash Bottles, Cosmetic Containers, and customized packaging solutions. Our commitment to quality, precision, and customer satisfaction has helped us earn the trust of leading brands across the nation.

Over the years, we have continuously invested in cutting-edge technology, modern infrastructure, and skilled professionals to ensure that every product we deliver meets the highest standards of durability and design. From concept to completion, we focus on innovation and sustainability — offering eco-friendly plastic solutions that serve multiple industries including FMCG, Healthcare, Household, and Industrial packaging.

Our state-of-the-art manufacturing unit, equipped with advanced molding and finishing machines, enables us to maintain strict quality control at every stage of production. This ensures consistency, reliability, and timely delivery to all our valued clients. We take pride in building long-term relationships based on trust, performance, and excellence.

### Our Vision

To become a globally recognized name in the plastic manufacturing industry by continuously innovating, maintaining world-class standards, and promoting sustainable practices that contribute to a cleaner and greener environment.

### Our Mission

Our mission is to deliver high-quality, reliable, and affordable plastic packaging solutions that exceed customer expectations. We aim to create value through innovation, precision manufacturing, and dedicated customer service — ensuring complete satisfaction at every step.
